<sup>1</sup>Based on claims reported prior to the year, but accepted by the WCB in the year. Excludes claims not covered under the Act, not work related, still pending and/or duplicated within the system.

<sup>2</sup>Interprovincial Fatality denotes claims in which the family of the deceased worker may choose to register a claim in another province with another Workers' Compensation Board. These claims can arise when the fatality occurred in Saskatchewan while being a permanent resident of another province or while employed by a Saskatchewan employer but working and living in another province.
