

# Get started on your claim with a basic WCB online account

The Saskatchewan Workers' Compensation Board (WCB) has streamlined the online account registration process. Workers can now get automatic online access with the new basic WCB online account.

## Create a fast and secure **BASIC** account

Customers can create a basic WCB online account automatically with only their email, name and password.

A basic WCB online account is not directly linked to your claim but is available for workers to quickly report an injury, securely send information and upload documents.

### Basic WCB online account features:

- ✓ report an injury
- ✓ securely upload documents, forms and files
- ✓ submit an appeal
- ✓ securely send information to the WCB
- ✓ review and print submitted forms
- ✓ access your account 24/7
- ✓ bookmark uploaded documents
- ✓ access how-to guides and instructions

## Get access to more services with a **FULL** account

Workers with a registered claim can request access to their linked full WCB online account. With this access you can view claim information, submit claims expenses, attach receipts and more.

With a full WCB online account, you have all the basic WCB online account features plus access to more online services.

### Full WCB online account features:

- ✓ includes all basic WCB online account features
- ✓ view your claim and personal information
- ✓ view payments
- ✓ submit expense forms and receipts
- ✓ update your personal information
- ✓ auto-fill online forms with claim information
- ✓ view your appeal status

WCB online accounts are a secure, convenient and user-friendly way to help speed up the claims process.
