

Service fees and fee codes for WCB mental health service providers

Primary-level care and assessment services

The following WCB fee codes and fees are to be used to bill for services provided to WCB customers by mental health providers accredited by the WCB to provide primary-level services to WCB customers. If services go beyond the time unit specified for the fee code, you may round up to the next 10 minutes and bill for a partial unit as needed.

Fees for mental health providers working with secondary and tertiary assessment teams and treatment centres are negotiated with the Coalition of Physical Rehabilitation Centers of Saskatchewan (CPRCS).

²Mental health service providers may bill 60 per cent of the expected billing when the worker does not attend the assessment or when the WCB provides less than a 72-hour cancellation notice.

³Billable where the WCB requests a review of a number of consultations and a summary of the issues and treatment from the current or past involvement.

⁴Public Service Commission (PSC) mileage rate will be paid for out-of-town travel (requires authorization of insurer prior to incurring cost).
